Become a Street Watch member!

It is important you feel safe and secure in your residential area. People should be able to move around freely and to live as good a life as possible. The idea behind street watch is to create changes that contribute to this.

Street Watch enables you to become involved, to create pleasant environments where people can meet, enjoy themselves and feel safe in their neighbourhood.

STREET WATCH – IN BRIEF

- The idea behind Street Watch is to get the municipality, police, property owners and local residents to meet and discuss how the area can be made safer and more pleasant.
- Street Watch involves walking around the neighbourhood together looking at areas that are unsafe and discussing how they can be changed. You can also go to places that feel safe, and discuss why you feel they are safe.
- As a Street Watch member, you can help your neighbourhood become safer.
